

BUILT WITH
TECHNOLOGY,
TAILORED FOR YOU.

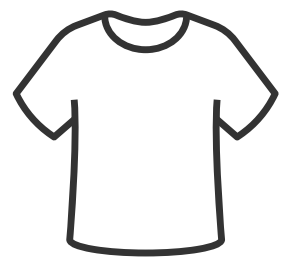

Our **Story**

Born during the COVID19 pandemic, ZEALTH was inspired by a powerful idea when a major gap was identified in sustainable and functional garments.

Backed by a family with over two decades of experience in garment manufacturing, ZEALTH blends comfort and science.

Our mission: To create high performance, low-maintenance apparel that fits seamlessly into busy and active work lifestyles.

Why Zealth ?

Breathable High
Performance Fabric

Water - Based
Liquid Repellent

Conscious production meets
functional outcomes

Our Uniform/ Scrubs *Collection*

Your style tells your story. From classic silhouettes to bold statements, every outfit is a reflection of confidence and creativity.

- **Signature Fabric Composition:**
Expertly woven fabrics ranging from a superior 100% Polyester for unmatched durability, refined comfort and core functions requiring excessively sterile, anti- static and lint free environment.
- **Intelligent Protection:**
Advanced Anti-Stain & Anti-Bacterial technology ensures pristine appearance and all-day freshness.
- **Tailored Precision:**
Impeccably crafted fits that complement every silhouette.
- **Curated Colour Palette:**
A selection of rich, contemporary hues to elevate professional style.
- **Performance-Driven Innovation:**
State-of-the-art fabric engineering designed for modern, high-performance environments.
- **Universal Elegance:**
Timeless, gender-neutral designs tailored to the discerning tastes of Gen Z and Millennial professionals.

Doctor Range

100% POLYESTER FABRIC

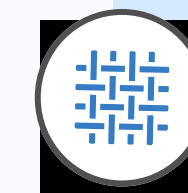

ANTI - BACTERIAL

Stay fresh, stay safe - our anti-bacterial fabric fights germs, prevents odours, and keeps you feeling confident all day.

DRY-FIT

Advanced moisture-wicking technology that keeps workers cool, dry, and comfortable while meeting the highest industry standards.

LINT-FREE

Crafted to maintain absolute purity, safeguarding sensitive pharma environments from contamination.

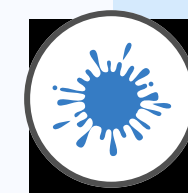

ANTI-STATIC

Advanced fabric engineering that neutralizes static charges, ensuring superior safety and control.

EASY CARE

The fabric is easy to care and maintain as it is highly durable under high temperatures washes and resistant to wrinkles.

ANTI-STAIN (WHITE COLOUR)

The special technology applied to our white color fabric makes it spill and stain resistant, along with all the above mentioned tech based features.
